Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Examiner Li:

Further to our telephone conversation today, we are transmitting herewith a Substitute Sequence Listing in computer readable form for the above-identified application by Express Mail pursuant to 37 C.F.R. § 1.10.

I hereby state that the content of the computer readable copy of the Substitute Sequence Listing submitted herewith is the same as the content of the paper and computer readable copies submitted on November 12, 2001 in accordance with 37 C.F.R. § 1.825(d).

Respectfully submitted,

Date: February 5, 2002
